PROFESSIONAL SUMMARY

Dedicated and detail-oriented Accounts Receivable and Sales Ledger professional with over six years of experience in accounts receivable, collections, payment processing, reconciliation, billing, and customer service. Proven ability to manage high-volume transactions, resolve billing discrepancies, maintain accurate financial records, and support credit control and month-end activities in fast-paced environments. Skilled in client communication, cross-functional collaboration, QuickBooks, Salesforce, accounting systems, and advanced Microsoft Excel, with working knowledge of IFRS 15 and strong analytical, organizational, and problem-solving skills focused on improving efficiency and supporting business goals.

WORK EXPERIENCE

Accounts Receivable Specialist – Virtual Assistant

SEPT 28, 2026 - PRESENT

BruntWork (Client: HGV Training Services Limited)

- Managed sales ledger and accounts receivable activities, including customer invoicing, billing, and monitoring outstanding balances.
- Supported credit control and collections by tracking overdue invoices, payment terms, and client account status.
- Allocated client receipts and performed account statement and bank reconciliations to identify and resolve discrepancies.
- Assisted with month-end reporting, aged debt analysis, and account-close activities while maintaining accurate financial records.
- Collaborated with Sales and Operations teams to align order details, resolve billing queries, and streamline invoicing processes.
- Supported financial controls and workflow improvements to promote accurate and efficient accounts receivable operations.
- Applied working knowledge of IFRS 15, including performance obligations, milestone billing, and deferred revenue concepts.
- Used QuickBooks, Salesforce, and advanced Microsoft Excel for financial data management, analysis, and reconciliations.

Accounts Receivable Reconciliation Officer

MAY 2025 - SEPT 25, 2026

Microsourcing Philippines (EVT Hotels Account)

- Managed end-to-end accounts receivable processes, including invoicing, payment posting, cash application, account reconciliation, and bank reconciliations.
- Conducted outbound calls and email follow-ups with travel agencies to collect overdue invoices, resolve billing issues, and ensure timely payments.
- Investigated payment discrepancies, reconciled customer accounts, and supported month-end closing while maintaining accurate financial records.
- Collaborated with internal teams and clients to resolve payment issues, prepare accounts receivable reports, and consistently meet productivity and accuracy targets.

Accounts Receivable / Collections Analyst

JUNE 2020 – MAY 2025

Accenture Inc. (Microsoft Account)

- Researched customer accounts, reviewed credit history, and contracts, and resolved billing and payment-related concerns.
- Managed aging accounts by monitoring outstanding balances and collecting payments through inbound and outbound calls, emails, and other communication channels.
- Processed customer payments, including ACH, wire transfers, checks, credit cards, and EFTs, while preparing invoices, credit memos, and debit memos.
- Maintained accurate collection records and documentation to support reporting, compliance, and timely account resolution.

Visa Processing Officer

FEB 2018 – MAR 2020

- Processed visa by verifying supporting documents, ensuring accuracy, and maintaining compliance with embassy requirements. / Assisted applicants through phone, email, and in-person inquiries while managing passport collection, release, tracking, payment processing, and daily transaction records.
